

Bogie & Bacall Entry

Attention Blackthorn Club Members:

January 19, 2012

If you plan on playing in the 2012 Bogie & Bacall couples golf tournament you need to fill out the following information below. By filling out this form you will have a spot reserved in this year's Bogie & Bacall golf tournament. We do not need to know who your guest is at this time only that you are going to play. The dates are June 15 –17. If you plan on playing, please send your reservation in ASAP!!!! **Note: If you are playing with other members, please note that on the form so we do not hold too many spots.**

Billing will be done in two (2) installments one in March and one in April. Teams may get out with no penalty until June 1st, after that teams must find someone to take their spot. The cost for this year's Bogie & Bacall will be \$600 plus tax per team. This procedure should help the club run smoother and insure that we have the necessary funds to make this a truly memorable event as in the past.
